NOTICE

This form is intended for withdrawal from the Contract by the Consumer in the case of a contract concluded by means of distance communication, in particular via the E-shop, e-mail, telephone, social media or other means of distance communication.

The Consumer has the right to withdraw from the Contract within 14 days from the date of receipt of the goods, without giving any reason, except for the cases listed in § 1837 of the Czech Civil Code.

The Consumer is obliged to send or hand over the goods to the Seller without undue delay, no later than within 14 days from the date of withdrawal from the Contract.

The Seller shall return to the Consumer, without undue delay and no later than within 14 days from the withdrawal from the Contract, all payments received from the Consumer under the Contract, including delivery costs, by the same means used to receive them, unless the parties agree otherwise. If the Consumer chose a delivery method other than the cheapest one offered, the Seller shall refund the delivery costs only up to the amount corresponding to the cheapest delivery method offered.

The Seller is not obliged to refund the payment before the Consumer has handed over the goods or proven that he has sent them to the Seller.
